A compulsory interview with the VET Coordinator (Mrs de Deuge) is required prior to enrolment where both parents and students are present to discuss requirements.

Students enrolled in VET courses will be subject to a VET course levy.
All VET levies must be paid in advance and are non-refundable.

VET (VOCATIONAL EDUCATION AND TRAINING)

Students who withdraw enrolment part way throughout the year will be required to pay course costs in full, therefore enrolment in a VET course is a commitment for the full school year.

The undertaking of School-based Apprenticeships is also encouraged by Leighland Christian School. In these situations students are employed part-time, undertake on-the-job training with an RTO and complete their Tasmanian Certificate of Education with Leighland Christian School.
