SCHOLARSHIP

FUNDRAISING PROGRAM

PARTNERSHIP WITH A
Purpose!

ABOUT THE LEIGHLAND CHRISTIAN SCHOOL

STUDENT SCHOLARSHIP

The Student Scholarship program is designed to make Christ-centred education more accessible to students and families across the North West region of Tasmania. Through this program, we will offer limited grade-specific scholarships to those seeking to enrol at Leighland Christian School, supporting them as they continue their Secondary education in a nurturing and faith-filled environment. These scholarships provide meaningful opportunities for young people to grow academically, develop their God-ordained talents in sport and other areas of interest, and pursue their future aspirations with confidence and purpose. Recipients are encouraged to actively contribute to the life of the school, enriching the school community through their involvement, contribution, and commitment.

Our **VISION**

A hope filled Christian community pioneering personalised real-world education.

Our **MISSION**

Christ-centred K-12 education that inspires, nurtures and equips students to connect learning to life.

Our **VALUES**

Christian to the core

We lead with innovation
Commit to personalise learning
Embrace partnerships
And seek to serve

We believe that all students have an inherent right to a quality education and seek to support their enrolment through a funded scholarship program.

Our **PROGRAM**

Our Student Scholarship Program is dedicated to cultivating a Christ-centred learning environment where each student is known, valued, and encouraged to flourish. Within this nurturing community, students are provided with rich and

diverse opportunities to grow academically, while also exploring their God-given gifts through co-curricular and extracurricular pursuits. We are committed to supporting the whole student; developing not only intellectual capability, but also character, faith, and a sense of purpose grounded in Christian values.

In alignment with Leighland Christian School's vision, mission, and values, we seek to nurture students who are future-focused, resilient, and equipped to make meaningful contributions both within their communities and beyond. Our approach to education places Christ at the centre, inspiring students to connect their learning with life, and to live with integrity, compassion, and a heart for service.

Our scholarship pathways recognise and celebrate both current and prospective students, affirming their academic efforts, personal growth, and potential. These pathways are designed to open doors and create access, ensuring that more families can experience the transformative impact of a high-quality, Christ-centred education. Through this initiative, we also strengthen Leighland Christian School's presence and witness across the wider North West community, partnering with families to develop young people who are confident in their faith and committed to making a positive difference in the world.

Accessible

Christ-centred education

Your support plays a vital role in the success and growth of our student scholarship program, and more broadly, in advancing the mission of Leighland Christian School. As a community committed to providing a Christ-centred education, we seek to inspire students to grow in faith, pursue excellence, and live out Christian values in every aspect of life. By partnering with us, you help make this vision a reality, opening doors for secondary students who may not otherwise have access to a high-quality, holistic education grounded in truth, grace, and purpose.

Every contribution, whether through a financial gift, prayer, or sharing our mission with others, strengthens our ability to nurture young people who are known, valued, and equipped to flourish. In alignment with our core values of faith, community, integrity, and service, your generosity helps cultivate an environment where students are encouraged to discover their God-given gifts and use them to make a meaningful difference in the world. Together, we can inspire, nurture, and equip students to connect their learning to life, empowering them to grow with confidence, serve with compassion, and lead with Christ at the centre of all they do.

Your **Support Matters!**

How can you help?

There are ways you can show your support by contributing to our scholarship fundraising program:

- 1 *Make* a meaningful **one-time donation** to impact on student access to Christ-centred education.
- 2 *Give* a **monthly contribution** and ongoing support to grow scholarship opportunities for students.
- 3 *Commit* to an **annual partnership** enabling long-term planning and expansion of educational opportunities.
