Coronavirus Update #7

Dear Parents and Guardians

There is only one day left to the end of this Term for our students and one week left for teacher aides and teaching staff. I would like to be brief in this communication, as I am aware of the information overload we have all been experiencing.

Please remember, students are not required to complete any school work at home for the next three weeks. Week Ten for Teachers will be about finalising Learning@Home programs for Term 2 and Learning@School lessons for those that come to school at the beginning of next term. The Admin and Finance staff will be available to parents during the Term break.

Next week, you will receive a communication about how to access and use the Learning@Home program. This will be helpful and a valuable resource for parents and students to refer to once we commence this new teaching and learning model. Instructions, tutorial guides and videos will be supplied to assist in embracing this new learning approach. You will also notice the specific weekly schedule of where and when you can collect and submit hard copies of student work, if you fall into this category.

Can I please urge you to read this information thoroughly. We have endeavoured to make it as user friendly as possible with clear instructions, pictures and diagrams, for both parents and students to follow.

We are currently finalising our Easter Service with a range of video clips. Please look out for it Thursday week on our School Facebook page and website. This will involve many of us from your School Community. We will be providing a School Newsletter for Week Ten, with an Easter message covering one of the most significant events in the Christian calendar.

If you would like to speak to us about your personal concerns, or want to be reassured in any way, please do not hesitate to contact the campus Principal, as we are very happy to connect with you. We will be praying for a safe and restful term break for all our School community.

Do not forget the promise in Romans 8:28 (NIV) *'And we know that in all things God works for the good of those who love him, who have been called according to his purpose'*. Therefore, we can be confident that God will bring good from this, because we love God, and we have been purposed with His calling.

Yours faithfully

Elizabeth Scheu
