BUILDING

FOR THE

future

Our incredible school association was founded over 70 years ago in 1954 by a passionate group of individuals who envisioned a place offering high-quality, Christ-centred education on the North West Coast of Tasmania. As we continue to grow, we remain deeply committed to that original vision, nurturing students in faith, learning, and community for generations to come.

IT MATTERS MORE THAN YOU KNOW!

SENIOR COLLEGE BUILDING PROJECT FUNDRAISING CAMPAIGN

How can you help?

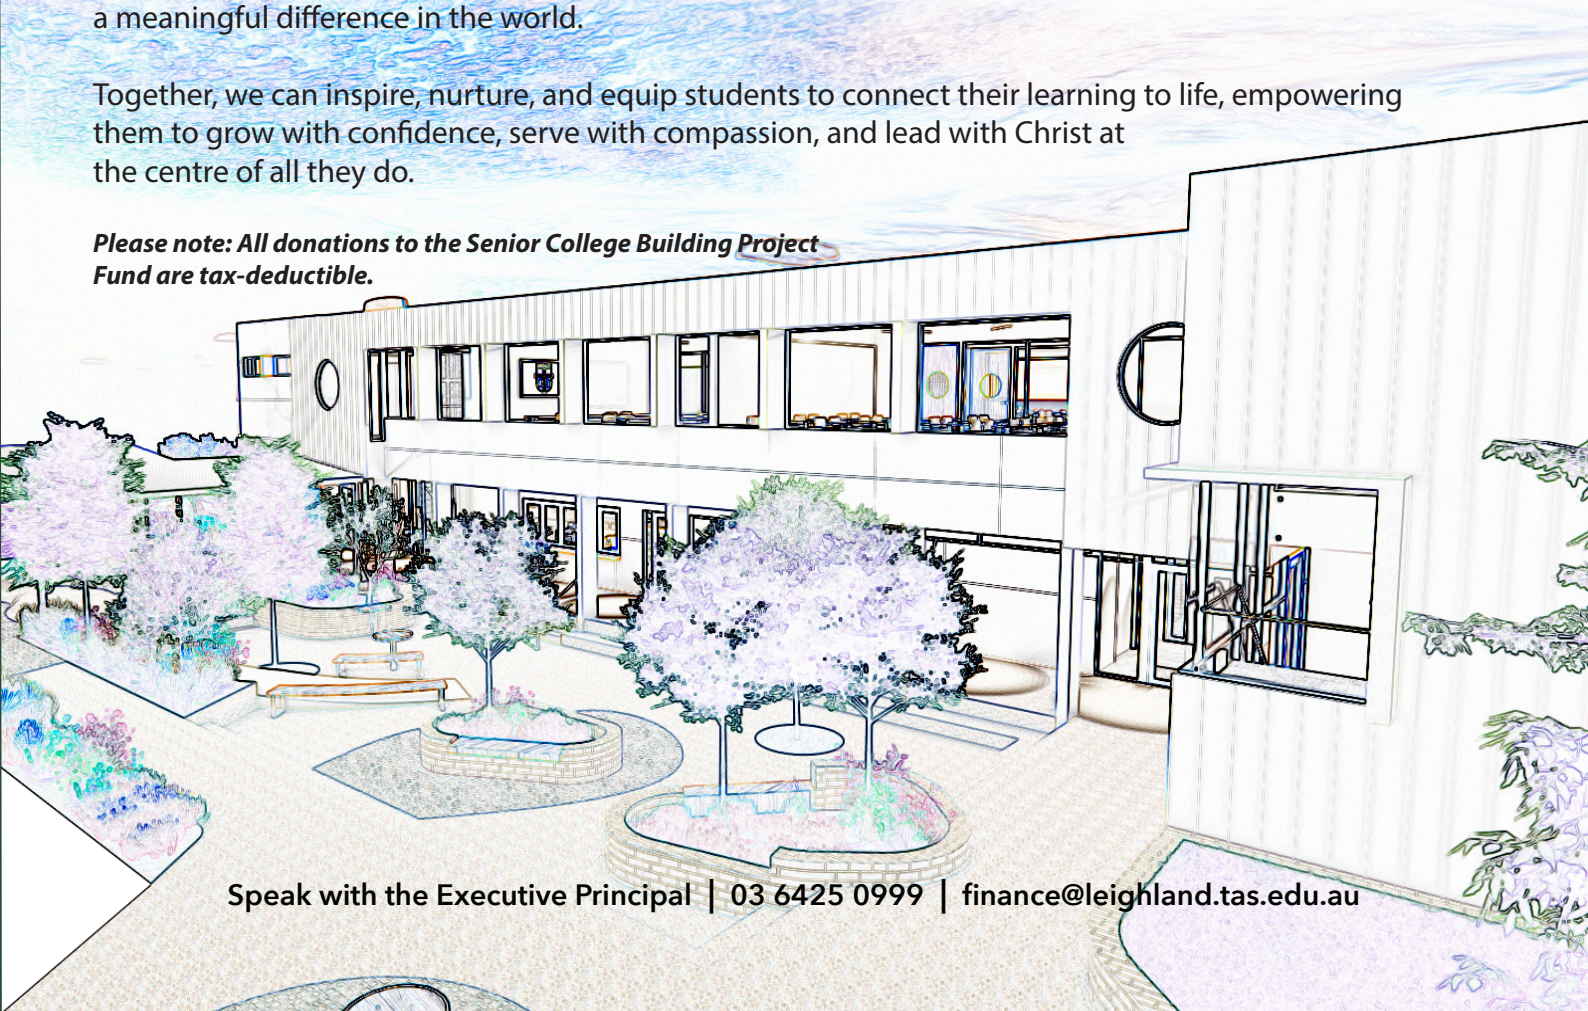

You can play an important role in the success and growth of our students by supporting our Senior College Building Project Fundraising Campaign. As a school community, we are committed to providing Christ-centred education within high-quality, innovative learning environments where students can truly thrive.

We recognise that the learning environment is a vital element of student wellbeing, one that inspires and shapes young minds and character, equipping students to become the men and women God has called them to be across a range of vocations. By partnering with us, you help bring this vision to life, quite literally opening doors for our secondary students to access the space they need for a holistic education grounded in truth, grace, and purpose.

Every contribution, whether through financial gift, prayer, or sharing our mission with others, strengthens our ability to nurture young people who are known, valued, and equipped to flourish. In alignment with our core values of faith, community, integrity, and service, your generosity helps create an environment where students are encouraged to discover their God-given gifts and use them to make a meaningful difference in the world.

Together, we can inspire, nurture, and equip students to connect their learning to life, empowering them to grow with confidence, serve with compassion, and lead with Christ at the centre of all they do.

Please note: All donations to the Senior College Building Project Fund are tax-deductible.
