About Me!

Patrick joined the Leadership team at Leighland in 2021. He studied at the University of Tasmania, completing a Bachelor of Arts and Masters in Teaching. He has taught a range of subjects, including English and Humanities, French and Christian Living.

Patrick has experience in educational leadership in both school-based ministry and curriculum. He felt called to Leighland Christian School and has a great desire to see students given a high-quality education and encourages students in their faith and understanding of Jesus.

His deep hope is that students would enter and graduate from Leighland feeling valued and encouraged in their aspirations. Patrick serves as an elder in his local church and is a volunteer with Bible Society Australia.
