Working with Guilford Young College, (a qualified trainer and assessor) will deliver this nationally recognised qualification at Marist Regional College. All theory and practical applications are completed in the purpose built Cradel Coast Trade Training Centre, a stimulated work environment. There is a mandatory participation in 12 service periods throughout the year in Cafe 9, and an expectation that students will be involved in events held at the college outside of normal school hours, however, this is kept to a minimum. Further, compulsory work placement is a requirement of this course.

*A student must be deemed competent in all units (12) to receive the full Certificate. Failure to complete all units will result in a Statement of Attainment only. This course does not receive the following ticks:
literacy, numeracy or ICT.*
